CAREER TRENDS: PLANNING FOR SUCCESS

April 14
7 pm
Thursday Glenbard South

Glenbard South High School Auditorium

23W200 Butterfield Road, Glen Ellyn
7 pm - Thursday - April 14, 2016

Dr. Lynn Burks

Dr. Lynn Burks a senior professor at DeVry University in the College of Business and Management will focus on occupations in high demand and job prospects for tomorrow. Here is a current real-world perspective and concrete information from an objective source. The more you know about the job market, the more you can build career resilience.

Milton Creagh

Also presenting will be Milton Creagh, who is well known for his hard-hitting, inspirational talks to young people and adults alike. Speaking to more than 200,000 people annually, Big Milt is one of the most in-demand speakers in America. This former host of the PBS Series "Parenting Works", will speak about making positive choices, finding your passion and utilizing your power to reach your goals. Mr. Creagh will share strategies to encourage our adolescents to take responsibility for their actions and succeed.

All students are strongly encouraged to attend.
