## GOALS TODAY/SUCCESS TOMORROW AND ACADEMIC RECOGNITION PROGRAM: BACK TO SCHOOL LUNCHEON WITH TROY CICERO

Saturday, September 16, 2017 / Glenbard North /  
 990 N. Kuhn Rd. / Carol Stream / 11:30 a.m.

Troy Cicero will give a presentation focused on helping young people gain an understanding of the tools necessary to succeed. All are invited to join us for lunch in the student cafeteria as we recognize the academic accomplishment of many of our Glenbard students at this special family event.

The mission of FUSE is to provide Glenbard families with the tools, resources and education to equip students for success. Attend all three FUSE events and be eligible to earn the 2017-18 FUSE \$1000 scholarship.

These free programs are open to the public. CPDUs are available.
