**Thursday, September 21, 2017 / 7 p.m. / Glenbard North  
990 N. Kuhn Rd. / Carol Stream**

On the day of Jacy Good's graduation, a young man distracted by his mobile phone conversation drove through a red light, collided with an 18-wheeler, and hit Jacy's car head-on. Jacy's parents were killed instantly, and Jacy was left with permanent injuries. Determined to use her family's tragedy to change behaviors and laws, Jacy became an advocate for phone-free roads. She has brought her message to the Oprah Winfrey Show and to the United Nations.
