

Myths OF MARIJUANA

Thursday, September 28th 2:30 pm - 3:30 pm
Marquardt Center 1860 Glen Ellyn Rd., Glendale Heights, IL

Dubbed by NBC News as the “**prodigy of drug politics,**” author, consultant, advisor to three U.S. presidential administrations, and assistant professor

Kevin A. Sabet, Ph.D.

has studied, researched, written about, and implemented drug policy for more than 20 years.

Whether you support, oppose, or are undecided about the legalization of recreational marijuana, Dr. Kevin Sabet will address the common myths of marijuana, the costs of legalization and lessons learned from other parts of the country that have already legalized.

MISSION AND VISION

Smart Approaches to Marijuana envisions a society where marijuana policies are aligned with the scientific understanding of marijuana’s harms, and the commercialization and normalization of marijuana are no more.

Our mission is to educate citizens on the science of marijuana and to promote health-first, smart policies and attitudes that decrease marijuana use and its consequences.
