SOMEONE'S BEST HOPE: *THE POWER OF ONE***

All parents want to help their child succeed in school and in life. But how can adults effectively balance the demands of their own lives with the challenges of raising well-adjusted children today? Manny Scott joins us to provide proven practices and principles that engage, equip, and empower parents everywhere to best connect with their teen.

Manny Scott touches hearts, informs minds, and empowers students and adults everywhere. Learn the four real-world techniques that parents can use to encourage all members of the family to thrive.

The founder of Ink International, Scott has helped hundreds of organizations raise student achievement and leader effectiveness. A former high school school dropout and an original Freedom Writer as told in the hit movie, *Freedom Writer* Scott is one of the nation's most sought-after speakers. This presentation reminds adults that even on their worst days, they can be someone's best hope.

Glenbard Students will hear Scott during the day.
